# CLIP Direct Give Campaign (DGC)

## *Coming September 2024*

Hello CLIP Community,

As we wind down the school year, I think fondly about how CLIP has impacted my child's education and how my family has enjoyed being a part of such a vibrant, caring community. I am thankful to all the teachers, administrators, and volunteers who make CLIP such an amazing place for my daughter. I'm also looking forward to next year, which is why I'm writing this note to you today.

Over the past few years, CLIPCO has strived to hold our requested DGC donation flat while utilizing reserve funds. Our reserve surplus is now exhausted, but with the cost of living rising, salaries for our CLIPCO-funded teachers and instructional assistants (IAs) have consistently increased. These incredible educators are the backbone of the program, and ensuring their competitive compensation is crucial for attracting and retaining top talent so that our children can continue to be engaged and supported in their education.

This means that, for elementary students, in order to maintain the high standards and unique offerings at CLIP, including our IA ratio of 1 per 2 classes, we need to significantly increase our annual requested donation amount (pending board approval). This increase will directly support staff salaries and ensure the program functions as intended in the coming year. Please note, middle school students will likely also see a slight increase in the requested donation per student.

We understand every family has a unique financial situation. In the coming months, I will be working with the CLIPCO board to investigate more flexible donation options such as tiered and/or monthly recurring contributions - our goal is to provide donation options for all families of CLIP while strengthening the financial future of the program. More to come on this later, stay tuned!

Wishing you all a relaxing and fun-filled summer,

Jim Pacella, DGC Chair

# THANK YOU!!!

Thank you to all of our volunteers for all the time and effort you give to the school, we appreciate it!

We wouldn't be able to run all of the programs that we fund (Project Cornerstone, Science Fair, Book Fair, Community Events, ASEP, Chinese New Year Parade, Yearbook, Musical, Math Kangaroo) without our strong community of parent volunteers. All of these activities enrich our children's lives and it wouldn't be possible without all of you! We are grateful for each and everyone of you, thank you!
