8th Grade Only: Lynbrook Transfer Process

This information is for Miller 8th Grade families who do not live in the Lynbrook boundary area and would like to enroll their 8th grader in Lynbrook High School next year.

This year, Lynbrook is continuing the opportunity for any 8th grader at Miller, if they live in the Fremont Union High School District boundaries (regardless of feeder high school), to enroll at Lynbrook through the LSSAP program.

Here is the [Lynbrook website](#) to explain the program's criteria and the process for applying for transfer. There is a link to this site on the Lynbrook homepage.

It is very important that, though eligible Miller students (who do not have Lynbrook as their feeder high school) will be accepted for transfer, they **MUST** submit their applications by the deadline. As always, students who live in the Lynbrook attendance area do not need to complete a transfer application.

Don't forget to complete **BOTH** the Online Enrollment and Registration (OLR) for the 2025-26 school year **AND** the LSSAP Application by **Feb 7, 2025 at 3 PM**.

CLIPCO students will be marching in the San Francisco Chinese New Year Parade on Saturday

February 15 at 5pm. For more information about the parade, go to <https://chineseparade.com/tickets/>. You can also purchase tickets for bleacher seats, though you can stand along the parade route and watch for free.

The Priority Open Enrollment Lottery will be done electronically on or before January 31st. Lottery results will be live on **February 21st**.

Waitlist numbers will be reset at the beginning of each year. If you wish to continue to be considered for enrollment in the CLIP program, you **MUST** join a meeting and apply for Open Enrollment **each year**.

Step into STEAM & support learning with your child!

- Register to participate in the Science Fair by February 26, 2025 at 9am.
- What: Working as an individual or team of 2 or 3, your child can show a display, demonstrate experimental results or reveal their research.
- When: Posters to be displayed from March 24 to March 27 in the GLC AND ****new - student showcase science fair event on Muir blacktop on March 27 5:00-6:30 PM.****

Students will bring projects to school on Monday, March 24 before the start of school and pick up projects on Thursday, March 27 at the end of school, or after the science fair afternoon event in which they can showcase & present their projects to the Muir community (March 27, 5:00-6:30 PM - Muir backtop)

- How to Register : Follow 2 steps below by February 26, 2025 - 9am.
 1. Each project must register by submitting a [John Muir Elementary Science Fair Entry Form](#). You do not need to finalize your science project idea before you register.
 2. Join the [Konstella Science Fair Group](#). Konstella is the only way to get further instructions and updates.
- Free to participate. CLIPCO will be giving away poster boards to the first 150 applicants/groups who properly register. Pick-up display board in front of the office during drop off ~8:20-8:30 AM on Thursday, February 13, 2025.
- Foster the spirit of scientific inquiry and sign up! No child is too young to have fun with science & math!!
- A great learning opportunity and chance for you to engage with your child! You don't have to be a scientist to help your child learn.
- The first 200 applicants will receive a participation medal.

Is your child ready to explore a world of exciting opportunities, from groundbreaking science and architecture to innovative technology and beyond?

At Code Ninjas, we inspire kids to dream big and equip them with skills that open doors to countless possibilities. Through hands-on coding adventures, they'll build creativity, confidence, problem-solving skills, resilience, and teamwork—essential tools for success no matter where their passions lead them.

WINTER CAMPS

FEBRUARY 17-21

WEEK LONG CAMPS

AM SESSION | 8:30AM-11:30AM

JR 3D Studio: Creators I

ages 5-7

Perfect for kids eager to explore their creativity, this camp offers a hands-on journey into designing and bringing ideas to life using Toybox & Tinkercad. Ninjas will code and print their own custom models, including fun and functional items like bubble wands and keychains. As they embark on this creative adventure, they will learn invaluable tips, cool techniques, and best practices for exciting explorations in 3D modeling and printing.

3D Studio: Creators II

ages 8+

During this action-packed day, Ninjas dive into the creative process using TinkerCAD and Blender to explore the limitless possibilities of 3D modeling. Ninjas will not only learn technical skills used in 3D modeling and printing but will also develop their problem-solving abilities and artistic flair. By the end of the week, they'll have a collection of unique creations to proudly display in their 3D Dojo.

PM SESSION | 12:00PM-3:00PM

JR Adventurers: Roblox & Minecraft

ages 5-7

Sign up your ninja to embark on an exciting journey into the digital realm to explore the captivating world of game design and development using popular Minecraft® and Roblox®. Campers will dive into pre-built worlds, engaging in activities and challenges that teach key concepts of replicating the physical world in virtual environments. Watch as your child learns, creates, and imagines, all while developing skills & STEM principles.

Roblox & Minecraft Coders

ages 8+

Check out this camp where Minecraft and Roblox join forces for an epic camp experience. It's the perfect place for Ninjas to discover their potential on the developer side. They'll start out with MCreator to design festive weapons and code magical enchantments in Minecraft. Then moving into Roblox Studio to master its tools, Ninjas will defend snow forts in epic snowball fights, design icy escape rooms, and create their own wintry adventures!
